Hello Erica and Tim:

I am following up on the Aspire School case.

Last year we issued a modification to our PCB cleanup approval to allow for construction of the gym building for the school. As you are aware, still some of the conditions in the original approval and the latest amendment to that approval have not been fulfilled by Aspire such as the land use covenant.

A call from you at your earliest convenience would be most appreciated so we can discuss next steps toward close out of this case. I can be reached at 415.972.3360.

Thank you for your courtesies.

Sincerely,  
Carmen
